

# CURASTORY

## Bring your ideas to life.

Our video creation tools make it easy — and cost-effective — to get creative.

### Make Amazing Videos

We provide video equipment, free editing tools, and a library of music to bring your videos to the next level — regardless of where you're starting from.

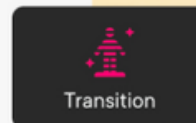

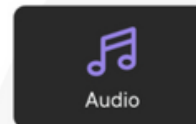

### Get Paid

We match you with brand sponsors so you can get paid from your own video-ad segments through our monetization tools.

### Watch it Grow

We allow you to post to your video channels with one-click, track your earnings, and watch your viewers grow — all in one easy-to-use dashboard.

That's Not All

## We're breaking the mold.

Our model of video sponsorship puts video creators in the driver's seat.

### Improve the quality of your videos.

Access high-quality equipment provided by our partners before polishing up with our editing tools and music library.

### Stay in control.

Choose the exclusive brand sponsors you want to partner with and never accept a random platform video advertisement again.

### Get paid for every view.

Get paid for every view on every video channel you distribute to — no matter the size of your audience.
